TEACHING ASSISTANT EVALUATION

In an effort to improve and assess the teaching ability of Astronomy **TAs**, we are seeking your opinion. Your comments will be made available to the **TA** for self-assessment. They will become part of the **TA's** permanent record and will be used when considering future **TA** assignments.

1. We request a short, open-ended statement on the teaching of the TA. We are interested in both a TA's weak points and strong points.

Some teaching qualities to be considered are:

- command of the subject
- clarity in explanations
- ability to arouse interest and stimulate thought
- success in emphasizing the major points in a balanced organizational plan
- effectiveness of oral delivery
